R Markdown

test

```
df[df$alpha==ltr,]
```

```
##      alpha      numbers
## 1      a 3.29675736100621
```

this is the number times two

```
x<-df[df$alpha==ltr,"numbers"]
mply(as.numeric(as.character(x)))
```

```
## [1] 6.593515
```
